InTech

2014 *InTech* editorial calendar

www.isa.org/intechadkit

	January/ February	March/ April	May/ June	July/ August	September/ October	November/ December
Cover Story Leading trends, technologies, and applications in automation	Plant Upgrade Strategy	Internet of Things	Cybersecurity—ISA99	Leveraging Big Data	Salary Survey	SFC-based Automation
Process Automation Control systems, instrumentation, sensing, and analysis	Training Using Simulators	Managing Multiple Vintage Automation	Process Plant Upgrade	Multivariable Control	Process Industry Robot Application	Water/Wastewater Plant Upgrade
Factory Automation Machine control, sensing, vision, motion, and drives	Discrete Manufacturing Robot Application	Energy Saving Strategies	Vision Systems	Automation Upgrade	Packaging Machines	Variable Speed Drives
System Integration Hardware, software, networking, and tools	Safety Systems—Applying Smart Transmitters	Mentoring New Engineers	Integrating Multiple Generational Systems	Sequence Function Chart Programming	Designing for Industrial Network Reliability	Evaluating Outsourcing
Automation IT Software, communications, network infrastructure, and interfaces	Enhanced Operator Interfaces	Historians	Mobile User Interfaces	Human-Machine Interfaces—ISA101	Operator Effectiveness—Alarm Management	Business Intelligence Software
Basics Gain knowledge and sharpen skills	Temperature Sensor Basics	Flow Sensor Basics	Level Basics	Valve Basics	Motor Controls	Loop Tuning
Product Spotlight	Temperature	Non-Contact Temperature	Flow	Valves	Motor Controls	Loop Tuning
Special Editorial Focus Section	First Robotics	Workflow Software	Enterprise Asset Management	Understanding Managed Ethernet Switches	Managing Cybersecurity	M2M—Machine to Machine
Bonus Distribution* *InTech* magazine is distributed to many trade shows, conferences, and symposia each year, such as: • ABB Automation & Power World • ARC Forum • Emerson Exchange • Hannover Messe • Honeywell Users Group • NI Week • Rockwell Automation Fair • Offshore Technology Conference (OTC) • WEFTEC® • The Water Environment Federation's Annual Technical Exhibition and Conference • Automate POWERGEN	ISA Food and Pharmaceutical Industries Division (FPID) Symposium	60th ISA International Instrumentation Symposium (IIS) ISA Analysis Division Symposium (AD) ISA LDAR-Fugitive Emissions Symposium (LDAR) ISA Power Industries Division Symposium (POWID) Big M	ISA Water and Wastewater and Automatic Controls Division Symposium (WWAC)	2014 ISA Process Control and Safety Symposium (PCS)		
Ad Insertion Deadline	14 January	11 March	13 May	16 July	15 September	10 November
Ad Materials Deadline	22 January	19 March	21 May	25 July	24 September	19 November

*Bonus distributions are negotiated throughout the year; please check www.isa.org/InTechbonus for a current list of bonus distributions for each issue.
