The Bluebonnet Section of the ISA (Instrumentation, Systems, & Automation Society) proudly presents college scholarships to those persons entering the field of Process Control, Electrical Engineering, and other related careers. This fund applies to anyone* in need who is entering trade school, entering college, presently in college, or working on a Masters/Ph.D. in the above related fields. It is our hope that this scholarship fund will assist you in obtaining your goals. We do limit the scope of applicants to the geographic area represented by the Bluebonnet Section.

* You must be a regular or student member of the ISA in order to apply.

If A Question Does Not Apply, Please Leave It Blank

Please feel free to use an additional sheet of paper to answer any of the questions.
