**FIRST STATE ROBOTICS**

Making Miracles Happen ... One Student at a Time

March 12, 2009

Mr. Matthew Murphy
ISA Committee
204 Red Fox Court
Middletown, DE 19709

Dear Mr. Murphy,

I am writing this letter to thank you for your donation to our robotics team, MOE 365 (Miracle Workerz). My name is Claudia Lazzaris and I am an exchange student from Brazil attending Middletown High School. I joined the team last year in August when I arrived here; initially it was because of my host sister, Cassandra, who was already on the team, but soon I realized how much fun it is to actually take part in building a robot and how many things I can learn. Being on MOE has helped me a lot with my adaptation and, honestly, I know it is going to be hard to leave the team in June, when I have to go home. Your donation helps keep our team together and consequently be successful.

This year has been amazing for all of us. Build season was great and we were able to build our robot CozMOE in 6 weeks, being prepared for our first regional competition in Washington, DC. Our team was outstanding; not only because we stand out with green from our heads to our toes, but because we have an excellent robot capable of playing both defensively and offensively, we have team spirit, and the most important: we helped teams that needed just a quick help, as well as teams that needed to build a new robot. This was recognized and we won the Gracious Professionalism Award, which makes us very proud of our team members.

I want to thank you again for donating to our team. Donations are what make MOE 365 what it is today: a notorious, high-quality robotics team. You help in more ways than you can imagine. On behalf of the entire team, I would like to say that people like you are the reason why we are here, on our 10th anniversary, still creating amazing robots and having fun while learning. I hope to see you in Philly for the next regional on March 20th and 21st!

Sincerely,

A handwritten signature in cursive script that reads 'Claudia Lazzaris'.

Claudia Lazzaris.

P.S. For more information about our team, please visit our website www.moe365.org.

FIRST STATE ROBOTICS

Making Miracles Happen ... One Student at a Time

March 12, 2009

Mr. Matthew Murphy
ISA Committee
204 Red Fox Court
Middletown, DE 19709

Dear Mr. Murphy,

We of MOE 365 would like to thank you for sponsoring our team with your gift of \$500 this year. I have been on the team for three years, happily enjoying my time while in my home school. MOE is important to me because it is fun to go at the end of the year and be with my friends at Atlanta Georgia. Mostly, I enjoy my time with my friends on the team.

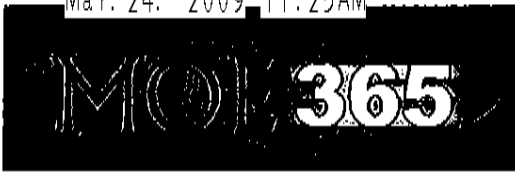

Our team is doing great after the good competition at Washington. We might not have won but we made it to the quarter finals. We did win the Gracious Professionalism Award with the help of our mobile pit team. The robot did a great job on the final day. Plus the robot didn't tip over, which is always good!

Once again, I would like to thank you for sponsoring our team. We are grateful for your donation and it has helped this team make it this far. We invite you to attend our next Regional competition at Philadelphia on March 20th and 21st. Just look for the bright green MOE shirts! Thank you once again...

From,

Julian Green

Save the Date

As a thank you for your sponsorship of

Robotics Team 365 - MOE
(Miracles of Engineering)

you are cordially invited to attend the

10th Annual End of Season Celebratory Picnic

Sunday, May 17, 2009 from 1pm to 7pm

at the DuPont Chestnut Run Pavilion

Come see the great robot our students built in the 10th year of Team 365!

RSVP by May 1, 2009

to Karen O' Brien - 610-331-2368 or email obri9706@vipppn.com

**DIRECTIONS - DUPONT CHESTNUT RUN PAVILION
TO CHESTNUT RUN PAVILION FROM THE NORTH**

- Take Route 141 SOUTH from Concord Pike (Route 202)
- Travel over Tyler McConnell Bridge (over Brandywine River)
 - Pass DuPont Barley Mill Plaza site on your left
 - Turn LEFT onto Route 48 (Lancaster Pike)
- Make first RIGHT at the traffic light into the Chestnut Run Plaza
- After a few hundred yards, you will see the Pavilion on your LEFT.
Parking is on your RIGHT.

TO CHESTNUT RUN PAVILION FROM THE SOUTH

- Take Route 141 NORTH from I-95 or KIRKWOOD HIGHWAY (Route 2)
- Pass DuPont Chestnut Run Plaza site main entrance and secondary entrance on your right.
 - Turn RIGHT onto Route 48 (Lancaster Pike)
- Make first RIGHT at the traffic light into the Chestnut Run Plaza
- After a few hundred yards, you will see the Pavilion on your LEFT.
Parking is on your RIGHT.

If you have trouble finding us please call Karen's cell phone: 610-331-2368.
If you have any questions please e-mail or call Karen.

You won't be able to miss the GREEN Shirts when you come near the Pavilion.

Make sure to write in on your calendar!!!
