2nd Annual ISA Safety Division Symposium

Join us for ISA's second annual Safety Division Symposium! Gain valuable information and training in the areas of safety instrument systems, alarm management, pressure relief, and HIPPS and control system security. This event is sponsored by the **ISA Safety Division**.

For more information, or to register, visit us online at www.isa.org/safetysymposium or call **(919) 549-8411**.

Exhibit and sponsorship opportunities available! Call Rodney Jones at **(919) 990-9418** or e-mail rjones@isa.org.

Founded in 1945, ISA (www.isa.org) is a leading, global, nonprofit organization that is setting the standard for automation by helping over 30,000 worldwide members and other professionals solve difficult technical problems, while enhancing their leadership and personal career capabilities. Based in Research Triangle Park, North Carolina, ISA develops standards; certifies industry professionals; provides education and training; publishes books and technical articles; and hosts the largest conference and exhibition for automation professionals in the Western Hemisphere.

2nd Annual ISA Safety Division Symposium

23-24 May 2006 • Houston, TX

Setting the Standard for Automation™

2nd Annual ISA Safety Division Symposium & Training

23–24 May 2006, Marriott Houston Hobby Airport, Houston, TX

Wednesday, 24 May – Symposium

Schedule:

| | |
|------------------------|---|
| 7:30 a.m. | Registration |
| 8:15 a.m. | Opening Remarks – <i>Ed Marzsal</i> |
| 8:30 a.m. | Keynote Address – <i>Gary Visscher, Chemical Safety Board Member</i> |
| 9:30 a.m. | Exhibits Open |
| 10:00 a.m. | Standards Committee Updates – <i>Angela Summers</i> • ISA SP84 • ISA SP18 • ISA SP99 |
| 11:00 a.m. | Lunch/Exhibits Open |
| 12:30 p.m. – 4:00 p.m. | Afternoon Parallel Sessions <i>Session One</i> – • Safety Instrumented Systems • Alarm Management <i>Session Two</i> – • Pressure Relief and HIPPS • Control Systems Security |
| 4:15 p.m. | Q&A Panel (Session Presenters) |

Exhibiting Companies: AE Solutions, Siemens, Asset Integrity Management LTD.

Keynote Address:

Update on CSB Incident Investigations: In Control System Related Causal-Factors

Keynote Speaker: Gary L. Visscher

Gary Visscher was appointed to the U.S. Chemical Safety Board by President Bush on 2 August 2004. Mr. Visscher also served as a Presidential appointee to the Occupational Safety and Health

Review Commission, and prior to that, for fourteen years as a legislative staff person for the U.S. House of Representatives. From 1985 to 1989, he served as Legislative Director for former Rep. Paul B. Henry of

Michigan. From 1989 to 1999 he served as professional staff member and workforce policy counsel for the House Committee on Education and Workforce, where he worked on a variety of workforce issues, including occupational safety and health.

Symposium Registration:

| | |
|----------------------------|-------|
| ISA Member | \$295 |
| Nonmember | \$345 |
| Speaker Registration | \$150 |

Tuesday, 23 May – Training Seminars

8:00 a.m. – 4:00 p.m.

Safety Instrumented Systems: The Must Know for Implementation (EC50C)

Instructor: Paul Gruhn

The greater the level of process risk, the better the safety instrumented system (SIS) performance required to control it. Learn how to define system performance and design systems according to industry standards.

Securing Industrial Networks: Cyber Protection for Automation, Control, and SCADA Systems (IC32C)

Instructor: Larry Thompson

Are your computerized factory automation, process control, and SCADA networks vulnerable to hackers, spies, or saboteurs? This seminar will teach you the basics of cybersecurity, and how to apply it to your industrial networks.

Training Seminar Registration:

| | |
|-----------------|-------|
| ISA Member..... | \$395 |
| Nonmember | \$445 |
