

# 2010 *InTech* Editorial Calendar

	January/ February	March/ April	May/ June	July/ August	September/ October	November/ December
<b>Cover Story</b>	Smart grid girds for growth	Black gold: Oil on platform	Utilities automate	SCADA goes green	<i>InTech</i> salary survey ( <i>InTech</i> market study)	Wireless standards in action
<b>Process Automation</b> control systems, instrumentation, sensing, and analysis	Coriolis in action	Pharma	Cloud networking	Automation Environment	Oil boom	Sustainability
<b>Factory Automation</b> machine control, vision, and discrete sensing	Packaging reliability	Bus communications	Just in Time	Discrete RFID	Pack it up	Data acquisition
<b>System Integration</b> hardware, software, networking, retrofits, and components	Wireless on board	Ethernet retrofit/ Control valve best practices	Calibration upgrade	Product lifecycle management (PLM)	Water projects	Integrate security
<b>Automation IT</b> software and communications interface	SCADA goes long	MES	Programmable Automation Controllers	Predictive maintenance	Artificial intelligence	Alarm management
<b>Basics</b>	Magnetic flow, Signal conditioning	Final control elements, Amperage	Pressure, Power conditioners	Gas detectors, Process control simulators	Chromotography (oil analysis), Enclosures	Temperature, PLCs
<b>Product Spotlight</b>	Signal conditioning	Valves, actuators, pumps	Calibration hardware/software	Ph/ORP	Industrial computers/HMI	Surge protection
<b>Special Editorial Focus Section</b>	Flow/Level	Wireless, Networking, Ethernet	Temperature/ Pressure	Flow/Level	Data Acquisition, I/O, SCADA	Wireless, Networking, Ethernet
<b>ISA Automation Week Coverage</b>			ISA Automation Week Preliminary Program		ISA Automation Week On-Site Issue	
<b>Bonus Distribution</b>	ARC Forum	Measurement Science Conference, Interphex, Hannover Fair, CSIA Exec. Conference	OTC, ABB Automation & Power World, MCAA, Sensors EXPO, Honeywell Users Group	NI Week	ISA Automation Week, Emerson Exchange, WEFTEC, PackExpo	Rockwell Fair, PowerGen Int'l
<b>Ad Insertion Deadline</b>	15 January 2010	16 March 2010	17 May 2010	16 July 2010	6 September 2010	15 November 2010
<b>Ad Materials Deadline</b>	22 January 2010	23 March 2010	24 May 2010	23 July 2010	13 September 2010	22 November 2010

Columns and departments give you even more opportunities to place your message in a highly targeted and high-quality editorial environment:

- Automation Update
- Executive Corner
- Workforce Development
- Product and Resources
- Association News
- And More
