What better gift could you give them than the latest in technical information and opportunities to network with other motivated automation and control professionals? Use your local connections to expand your section's network of professionals today—and claim your reward!

## How the Rewards for Recruiting Program Works

ISA's Rewards for Recruiting Program recognizes your contribution in recruiting new ISA members. Recruit one new ISA member and ISA will send you a travel umbrella with a matching zippered case that's imprinted with the ISA logo. Recruit five or more new ISA members over the course of one program year (July through June) and receive a \$100 gift certificate good toward any ISA product or training course registration.

Each of these rewards can be claimed just once per program year.

To get credit for recruiting, make sure your name and member number appear in the Rewards for Recruiting box in the upper right corner of the new member's enrollment form.

**Don't miss your chance to earn your reward.**  
**Introduce someone to the benefits of ISA membership today!**

Note: This program does not apply to Student Memberships
