3-8 June 2012
Renaissance Austin Hotel
Austin, Texas USA

Power Generation: Automation Today and Tomorrow

Call for Papers

The 55th Annual ISA Power Industry Division (POWID) Symposium will take place 3-8 June 2012, in Austin, Texas, USA. We will review all submissions for this conference and publish accepted papers in the Conference Proceedings via electronic media.

The proceedings will be available later to the general ISA membership through the ISA POWID website. Some of the topical areas of the conference are listed below. Focus on some aspect of the theme, "Power Generation: Automation Today and Tomorrow" is encouraged and application relevant to the power industry is necessary. Topics to consider for your paper are:

- Cybersecurity Issues and Solutions
- Nuclear Plant Innovations and Enhancements
- Smart Grid
- Renewable Energy
- Nuclear Power, New and Existing Fleet
- Fossil Power, Conventional Steam, and Combined Cycle Plants
- Environmental Issues
- Sensors including Wireless Sensor Networks
- Asset Management including Equipment Condition Monitoring
- Other Power Related Issues

Submission Deadlines:

Abstract due	15 January 2012
First Draft due	26 February 2012
Final Paper due	30 April 2012
Draft Presentation due	30 April 2012
Final Presentation due 21	May 2012

To submit your abstract go to www.isa.org/powersymp
