

**St. Louis
Section**

Welcomes you to attend its upcoming January 2008 Program!

VFD 101 – January 9, 2008

Guest Professor: **RANDY SMITH**, Rockwell Automation
Area Manager – Drives & Power Control
rgsmith1@ra.rockwell.com

Its back to basics this month with all you ever wanted to know about VFD's but were absolutely mortified to ask your peers about. Topics of this informative discussion will include:

Variable Frequency Drive Basics
Installation Guidelines for AC Drives & Motors
Energy Savings with AC Drives

Location:

Andre's South (MAP IT)
4254 Telegraph Rd.
(1/4 mile South from I-255/270)

4:00-5:00 pm: Board Meeting
5:00-6:00 pm: Networking/Social hour
6:00-7:00 pm: Dinner *
7:00-8:00 pm: Program

* Please **RSVP** to jeffb@rlw-inc.com for the Dinner portion of the Program:

Members: \$20

Non-Members: \$25

Students: \$5

If you do not RSVP, add \$5 at the door

The VFD Program is free of charge.

PLEASE FORWARD THIS EMAIL TO ANYONE IN OR OUT OF YOUR COMPANY THAT YOU FEEL WOULD BENEFIT FROM ATTENDING THIS INTERACTIVE DISCUSSION ABOUT THE BASICS, BENEFITS, AND INSTALLATION HOW-TO'S OF VFD'S. JOIN US FOR SOCIAL HOUR, FOR DINNER *, OR COME AFTERWARD JUST TO PARTICIPATE IN THIS INFORMATIVE PROGRAM.
