

Call for Papers

55th Analysis Division Symposium

25-29 April 2010, New Orleans, Louisiana

The 55th Analysis Division Symposium will take place 25-29 April 2010 in New Orleans, Louisiana, 25-29 April, 2010.

This Symposium is recognized as the outstanding forum for discussion of new and innovative process and other analytical techniques, developments and applications. Speakers and attendees come to the Symposium from all over the world and share the opportunity to speak to an international audience, participate in informal discussions and social gatherings and acquire the latest information about analytical science in industry.

Papers are accepted which address topics in process analysis including methods, analytical applications, analytical hardware and software, analytical systems and analyzer system operation, and maintenance. Subject content may concern technology in development or technology as applied in industry practice.

General subject areas of interest are:

- Chemical Analyzers Systems Integration
- Physical Properties Maintenance
- Spectroscopy
- Chromatography Gas Detectors
- Sampling Systems Emerging Technology
- Validation Environmental

All papers are reviewed by the official Analysis Division Paper Review Committee and must conform, or be modified to conform, to Analysis Division and ISA format and content guidelines. Papers may not be commercial in nature.

All papers must be submitted in electronic format (Microsoft Word) suitable for publication in the CD proceedings by the deadlines indicated below. All overhead slides or presentation materials used at the Symposium must be provided in electronic format (Microsoft Power Point) prior to the symposium for review and approval. A publication release form is required by ISA for all papers.

PAPER SUBMISSIONS

An "Intent to Present" is due immediately to Mike Chaney, the Technical Program Chairperson, at Michael.Chaney@lyondellbasell.com, with abstracts to be submitted by 4 December to the Paper Review Committee Chairperson, Paul Barnard at Paul.Barnard@lyondellbasell.com.
