55th International Instrumentation Symposium

1-3 June 2009

South Shore Harbour Resort and Conference Center
League City, TX

Visit: www.isa.org/iis

Pricing

Your Exhibit Table fee includes one conference registration (a \$495 value). This opportunity allows you or a fellow co-worker to fully benefit from the conference sessions, social interactions, and dedicated display times. Your personal and company involvement is an asset for everyone involved in this technology exchange. And there's no struggle for appointments or attendees' time, keeping you actively engaged with the professionals that design, manage, and consult on sensor developments and related projects.
