**Ready to Position Your Company
as an Industry Leader, Build Alliances,
and Expand your Prospect Base?**

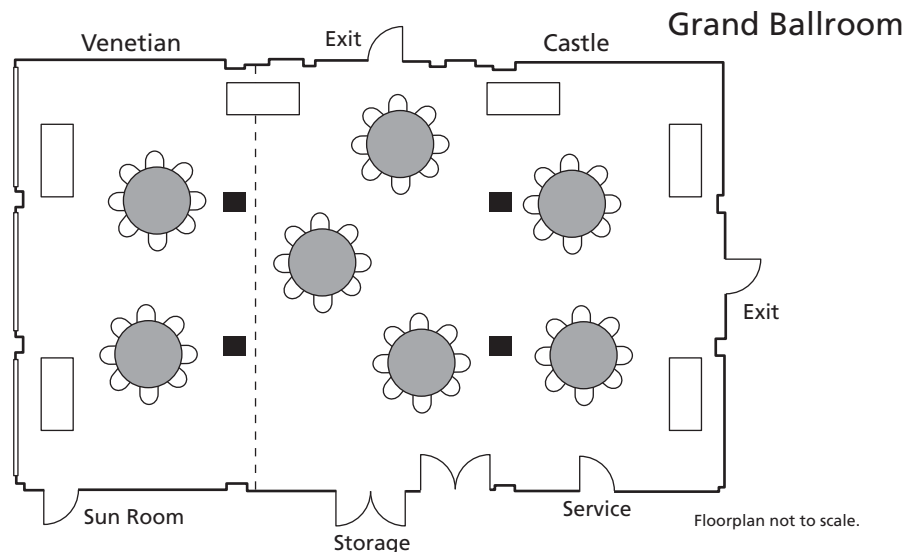

Exhibiting at or sponsoring the 2009 WWAC (Water/Wastewater and Automatic Controls) Symposium puts you face-to-face with a variety of industry professionals searching for your products, services, and insights! In return for your exhibit or sponsorship dollars, you build alliances and increase prospects. Join us to help professionals in the water and wastewater industry understand how automatic control applications affect processing and distribution of water treatment. Contact Christine Johnson at (919) 990-9230 or cjohnson@isa.org to inquire about your exhibit or sponsorship opportunity today!

Table Prices:

\$400.00 with
