### ***JOB POSTING POLICIES:***

ISA-Central Keystone Section will be pleased to post your job opening on our website per the following conditions:

1. The job opening must be related to the realm of Instrumentation, Automation, or Systems or those areas promoted by ISA.
  2. The job opening must be for a job position within the Central Keystone Section area. (For areas outside central Pennsylvania, we encourage you to check out the Job Posting area at [www.isa.org](http://www.isa.org).)
  3. The Position will be placed on the Section website for approximately 120 days before removal. Following the 120 days, the position can be resubmitted for posting for an additional 120 days, or until the position is filled.
  4. You can have the job posting removed per your request at any time. The job posting will be removed within 7 days of receiving the request.
  5. The ISA-Central Keystone Section reserves the right to edit or deny posting any Job opening of any information they deem to be objectionable or non-relevant.
