**Why Be a Senior Member?** The Senior Member Grade is ISA's way of recognizing your advanced educational preparation and professional work experience. It is the prerequisite member grade for nomination to "ISA Fellow," one of ISA's highest honors, and for holding elective office at the Society level.

**Who can be a Senior Member?** Applicants for Senior Member grade must meet specific requirements and must document their qualifications. An ISA member may apply for Senior membership at any time, i.e. with initial membership application or any time after becoming a member. Application for Senior Member Grade requires Admission Committee review. **If you think you are eligible for consideration and want to apply for Senior Membership, please complete Sections 1–4 below and send this form to ISA.**

## 1. Qualifications

Check one of the following:

- B.S. degree in engineering, technology or science and at least six years employment in Instrumentation, Systems and Automation disciplines, two of which have been in position(s) of responsible charge\*\* (A master's degree counts as one of the six years; a doctorate counts as two years.)
- Ten years of employment in Instrumentation, Systems and Automation disciplines—two of which have been in position(s) of responsible charge.\*\*

\*\*Responsible charge includes: directing activities of others in Instrumentation, Systems and Automation work, and/or individual responsibility for Instrumentation, Systems and Automation development, application or operation at a professional level, and/or teaching instrumentation, measurement and control or associated engineering and sciences at professional level.
