It's that time of the year again!

Bis Mitra

The Los Angeles and Orange County ISA Sections will hold their Annual Christmas Dinner & Award Ceremony on Saturday, December 4th at Petroleum Club in Long Beach. Please come and join the fun!

Each year this event serves a dual purpose. First, it gives members of the Orange County and Los Angeles Sections and others a chance to intermingle with one another in a social setting, and second, it allows each section to pay tribute to one special member who has served the section and/or ISA above and beyond the call of duty.

The Los Angeles Section honors its chosen individual with the Jake Groenewegen Award and the Orange County section honors its special member with Don Zee Award. Both awards have been named after individuals who have done and are still doing much to promote their sections.

Congratulations to Bis Mitra (Orange County) and Kim Miller Dunn (Los Angeles).
