A Message From.... YOUR PRESIDENT

Our October meeting was a tour of the Conexant Systems facility in Newport Beach. We were treated to an excellent video presentation and tour. The tour was well attended. We learned about "What's next in communications technologies." We want to thank Conexant for their hospitality to the Orange County ISA members.

Don Zee, John Querido and myself attended the District 11 Leadership Conference & Workshop held September 29 - October 1 at the Inn Marin in Novato, California. We began the conference Friday afternoon with a Council Meeting. A great barbecue was held on Friday night where each had to do our own cooking—what great fun. We started our meetings bright and early on both Saturday and Sunday. We discussed the ISA Corporate structure and now have a better understanding as to how it works for the Districts and Sections. We were also able to interact with the other sections and develop working relationships, as well as friendships. Some of the issues were better communication with the Sections and the District, a new group of section leaders in development, and we learned that each of the sections have many common interests. A goal was set for a District 11 Web page with links to section meetings and events. Next year's conference was set for April 20-22, 2001 to be held and hosted by Orange County section.

I'm looking forward to seeing many of you at the upcoming Education Event. For those of you who haven't signed up please get your reservations in. Don't forget about the ISA Christmas Celebration & Awards Ceremony—its just around the corner. So give Bis Mirta a call and make his day with your reservation. Please let us know how we are doing. You can reach us by e-mail or telephone. See the column on the left.
