## The Awards

It's that time of year again! The Orange County and Los Angeles Sections will hold their annual Christmas Dinner & Award Ceremony on December 2nd at the Petroleum Club in Long Beach. Please come and join the fun!!

Each year this event serves a dual purpose. First, it gives members of the Orange County and Los Angeles Sections and others a change to intermingle with one another in a social setting, and second it allows each section to pay

tribute to one special member who has served the section and/or ISA above and beyond the call of duty.

The Orange County Section honors its chosen individual with the Don Zee Award and the Los Angeles Section honors its special member with the Jake Groenewegen Award. Both awards have been named after individuals who have done much to promote their sections.
