# A Message From.... YOUR PRESIDENT

Hi Everyone,

What an exciting month January was. We had a great technical meeting on the S-88 Batch Reaction Process. Our speaker was Robert Cavey from Rohm & Haas Company. Bob's presentation was excellent—even I understood his talk. Thanks to Bob for making our meeting special, and to our meeting sponsors, National Instruments & Masoneilan/Dresser Valve Division.

We also had a guest, Terry Molloy District 11 Vice President. He addressed the members and asked them to please let him know what types of program and educational events they would like to see. He also discussed the upcoming President's Winter Meeting, District 11 Workshop and the regional event being planned for June 2001 in Las Vegas. I will be attending the President's Winter Meeting in Albuquerque, New Mexico on February 3 and will share my thoughts on it in my March message.

We will be having February's meeting on Thursday, February 15, instead of our usual Wednesday, due to Valentines Day. The topic will be blending systems. Hope to see everyone there.

**Terry Sellers  
President**
