A Message From....
YOUR PRESIDENT

We had a mix up at the printer last month and you got the Las Vegas Section's Presidents message. I've included March's message, as well as April's message.

February was a great month. Our technical meeting, "Challenges for Today's Refiners' Modern Blending System in a Clean Fuel Environment," was well attended. It was great to see so many members there. Our speaker was Jim Stewart, a control systems engineer from Fluor Daniel. Thanks Jim for a superb presentation. Thank you Blair-Martin Co., Inc. and Ponton Industries for sponsoring February's meeting.

I also attended the President's Winter Meeting, held in early February in Albuquerque New Mexico. I was involved in several meetings including: the first District 11 Council Meeting, which discussed setting up the District 11 Leadership Conference being held here in Orange County, April 20-21; a meeting on the upcoming ISA Regional Conference and Exhibit to be held at the Las Vegas Convention Center, June 18-20, 2002; and several leadership meetings.

March was another great month for our monthly meeting. The topic was 'General Cancer Awareness & Prevention' by Sandra Finestone of Hoag Hospital. Thanks Sandra for an excellent presentation. The meeting was well attended by many members and guests.

Jim Utt, Bis Mitra, Troy Johnson, Raj Adani and John Gong are very busy planning for our June 13,2001 meeting which will be a technical table top exhibit.

Please bring a friend or member to our next meeting. I hope to see many new faces next month. Any questions or comments please contact your board members for the list.

Terry Sellers, President
