“Don’t Miss the Bus”

A tabletop exhibit featuring bus technology and elements that communicate with bus technologies

Companies participating include: Honeywell, Emerson Process Management (formerly Fisher-Rosemount), Siemens, Think& Do, CFM, APCO Technologies, Panametrics, McJunkin Controls, Triconex Corp., ICS Triplex, Jensen Instrument Company, Teledyne Analytical, Rockwell Automation, ICSDAS USA and others.

Understanding bus technology is confusing at best. The Orange County Section of ISA - The Instrumentation, Systems, and Automation Society, is sponsoring a tabletop exhibit that will feature the different bus technologies and the equipment that communicates with bus technology. Join us on June 13th and look at and learn about merging bus technologies.

There will be many door prizes including two “Palm Pilots”

(Drawing for door prizes will begin at 7:30 p.m. Winners must be present).

Complimentary hors d’oeuvres will be provided from 4:30 p.m. to 7:00 p.m.

When: June 13, 2001—3:30 p.m. to 7:30 p.m.

Where: Long Beach Petroleum Club,
3636 Linden Avenue, Long Beach, CA 90807

Transportation: If anyone needs transportation from the refinery to the Petroleum Club and back again, call Raj at (310) 993-3878 or Bis at (949) 278-5040.
