CHART

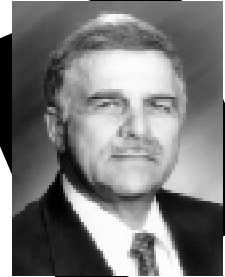

July 2001

Please join the Orange County and Los Angeles Sections in welcoming

ISA Society President Robert M. Bailliet

to their joint meeting at the Long Beach Petroleum Club

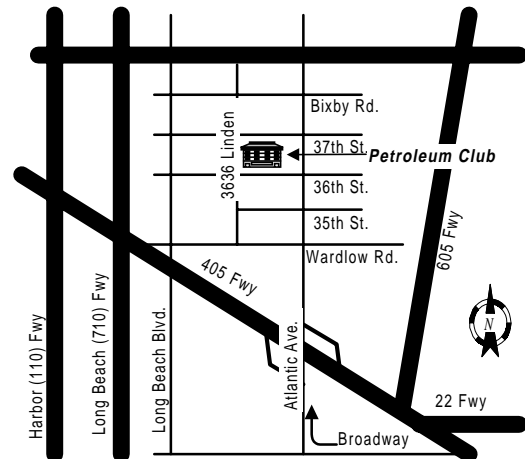

on **July 11, 2001**. Don't miss this rare opportunity to meet and chat with your Society president in a local setting.

ISA Society President:

Robert M. Bailliet president of Syscon International, Inc. is the 56th president of ISA-The Instrumentation, Systems, & Automation Society. Prior to starting his consulting business, Mr. Bailliet served in various engineering positions at Shell Oil Company. He has been active member of the ISA since he joined the New Orleans section in 1972. He served as section president, was active on the Society level as District 7 vice president and Industries and Sciences Department vice president. He received the ISA Distinguished Society Service award in 1991 and was named an ISA Fellow in 1998. Bailliet received a BS in electrical engineering in 1964 and MBA in 1992 both from Tulane University in New Orleans. He has published numerous technical papers and currently writes a monthly column for the New Orleans Section Newsletter and Inside ISA.
