A Message From.... YOUR PRESIDENT

Don't miss out. Start making your plans to travel to Houston September 10-13, 2001 for ISA 2001 Conference & Exhibit. This year's ISA conference offers four days of exhibitions, technical sessions, speakers and training courses—all related to the automation and control industry. For more information check the ISA website @ <http://www.isa.org> and click on the ISA 2001 Icon.

ISA's **International Student Competition (ISC)** will highlight student accomplishments at ISA 2001. During the international student competition, District 11 will be represented by Orange County's student's section: California State University, Fullerton. Good Luck CSUF.

Please note that this month's program has a new date and time. It will be a visit to the Hyperion Water Treatment Plant with the Los Angeles ISA Section on September 18th at 1:00 p.m.

Also, don't miss our upcoming Education Seminar on September 22: "Ethernet: A versatile network with a strong industrial track record and bright future". For more information check out the ISA Orange County Section website @ <http://www.isa.org/~oranc/>

Any questions? Please feel free to contact me or any of the board members. My e-mail is christine.tachdjian@disney.com.
