Overview of Microsoft Office XP

By Becky Sawyers

Presentation:

Seeing is believing! Experience the versatility and ease of use of Microsoft Office XP.

Speaker:

Becky Sawyers is a desktop specialist with Microsoft's Southern California office. She joined Microsoft in January 2001, one of the most exciting times in the company's history, since the release of Windows 95. As Microsoft begins to implement the .Net strategy and ship its most significant release of Office, Becky will be responsible for delivering the message behind Office XP. Prior to joining Microsoft, she worked for IKON Office Solutions' Redland, California office, where she was responsible for delivering corporate training on the Office suite of products. Becky has ten years experience in computer industry.
