ROBIN KELLOGG

Editor/Publisher

The CHART is published monthly for the Orange County Section of the ISA—The Instrumentation, Systems, and Automation Society by R. Kellogg Associates, 6848 Rhea Ave., Reseda, CA 91335 • phone/fax (818) 708-0087 • e-mail: robinlk@earthlink.net.

A Message From.... YOUR PRESIDENT

It is a privilege and a pleasure to serve you over the next 12 months as the ISA Orange County Section president. I have been an ISA member since 1989 and have been active participant at local section over the past three years. We have been fortunate to re-elect Sarah Sheldon and Karen Walker as secretary and treasurer, respectively. John Gong, who has been our educational co- chair for past two years, will serve in the president-elect's position.

My congratulations to our outgoing president, Christine Tachdjian and her team for putting together a great showcase of monthly programs and educational seminar. Gautam Parikh will continue in his role as the program chair and Bis Mitra with his vast experience will help guide our section in the role of a membership chairperson. By the way, have you visited our ISA Orange County web site? You will see all the hard work Bob Harrison has been putting into keep this web site up to date. Visit us at <http://www.isa.org/~oranc/> for current and past programs.

This is your ISA section and we want you to take full advantage of your membership dues by actively participating, learning and growing your career with us. On this journey, I'm sure you will make quite a few lifelong friends and acquaintances. Not having a crystal ball, I need your help in coming up with the right mix of topic for our meetings during the next 12 months. If you or somebody from your organization has special skills that may be of interest to our membership, please let me know. Gautam and I would certainly like to talk to you as a potential speaker for our monthly meeting. Our mix of active audience (read... potential customers) and free food is intoxicating for many techno-gurus. For the past several years, we have been holding our monthly ISA meetings at the old Fluor Daniels building in Irvine. I would like to get your feedback on the location. Is this an ideal location? How is the access? Are the facilities good? Do we need to change the location? If yes, do you have a recommendation? I do not want the location to be a deterrent from attending our monthly meeting.

On July 20th, your Orange County ISA board will partake in the annual planning conference. This is where we lay out the activities and plans for the next several months. I urge you to drop me an e-mail or call me with your feedbacks before that day. I also want you all to make a promise to yourself - "I will attend at least four ISA meeting this year" and I promise your investment on time will bear great returns.

Wish y'all a Happy 4th!

Respectfully,
Raj Adani
