ISA—The Instrumentation, Systems, and Automation Society

ROBIN KELLOGG

Editor/Publisher

The CHART is published monthly for the Orange County Section of the ISA—The Instrumentation, Systems, and Automation Society by R. Kellogg Associates, 6848 Rhea Ave., Reseda, CA 91335 • phone/fax (818) 708-0087 • e-mail: robinlk@earthlink.net.

A Message From....

YOUR PRESIDENT

With the corporate bankruptcies and scandals growing at rampant pace, have you ever wondered about the financial health of ISA society or for that matter the financial health of your local Orange County section? Rather than waiting for quarterly or annual reports, we publish our financial status on a monthly basis. Just look below this section. On a periodic basis even your local chapter gets independent financial audits.

Have you ever wondered how your ISA dues are used by the society? ISA is a non profit organization with all of its dues directed to serve the needs of its members. With worldwide membership of over 39,000; ISA's budget is in the millions. Here are some of the benefits that all professional members receive:

- Periodic meetings with technical speakers and a forum to exchange innovative ideas and make new friends and acquaintances
- Access to ISA standards for on-line viewing or download the standards for a nominal annual fee
- Job openings, as well as posting of the resumes for potential employers to select
- Low cost Auto insurance through GEICO
- Reduced price access to ISA education seminar
- E-mail alias with mail forwarding service
- CCST—Certified Control Systems Technician program
- Annual publication of ISA directory with complete listing of products and manufacturers

For most of us just one or two of the above items is well worth the annual ISA dues. When compared to other society dues (AICHE \$180/year; IEEE \$143/year), ISA dues are the lowest and well worth it. Don't you agree?

Budget Report 7/1/01 through 6/30/02 Report date: August 20, 2002
