A Message From....

YOUR PRESIDENT

I have the immense pleasure to inform you that Don Zee was recently endorsed by the ISA Society's Nominating Committee to become ISA's President-elect Secretary. Pending approval by the ISA Society Council at their annual meeting in Houston, Don will begin his term in January 2004 and expect to be the ISA society president in 2005. For over 25 years, Don has been an active member and a guiding light for the ISA Orange county chapter. He has been Past President, District 11 VP, ISA Society Treasurer, etc. Please join me in congratulating Don on this nomination.

This past year we focused on water-related topics—desalination process, water cycle in power plants, drinking water plant tours, etc. I hope we have made you more aware of our precious resource and simultaneously quenched your thirst for knowledge. I encourage you to participate in this month's Orange County Water District's plant tour in order to see the "Toilet" to "Tap" water treatment process.

My term as the ISA Orange County President is ending in June. It has been a wonderful growing experience. I thank you for the privilege and I hope you will extend the same support and commitment to the new board members. It is not the same without your participation!

Raj Adani
