

Orange County Section

ISA Orange County Section Meeting Minutes August 8, 2007

Attendees: Craig Lanternier, John Querido, Sebastian Zielonka, Alan Szarowicz, Don Zee, Bob Harrison, Hiten Dalal (part time)

Key items covered/voted upon during the planning meeting:

1. All regular meetings will be now held at Fluor's new Spectrum facility at 15440 Laguna Canyon Road, Irvine, CA, 92618
2. Alan proposed a speaker for the September meeting with a topic on Bio-Diesel. It was agreed this was a timely, relevant topic, Craig to coordinate details.
3. Several other topics were proposed, including:
 - SIS Seminar for February - Raj to coordinate (Paul Bodeau to moderate?)
 - Wireless Seminar for October – Don to coordinate
 - Industrial Ethernet Seminar for January or March - Craig to coordinate
 - Victor Wegelin Seminar for November – Craig to coordinate
 - Party (no regular meeting) to be planned for December
 - Bolsa Chica Tour for April – Bob to coordinate
4. Bis has already lined up two sponsors per meeting for the next four meetings, each donating \$250.
5. Potential Educational Seminars were suggested involving the faculty member at OCC, possibly targeting future Instrument Tech's.
