

ISA—The Instrumentation, Systems, and Automation Society

# TRANSDUCER

FEATURE EVENT:

Section Meeting –  
 Wednesday, November 19, 2003  
 ⇒ All invited, including non-members! ⇐

**Speaker:**

**Joseph Dioguardi** – ABB Inc.  
 – Boiler Controls Project Group, Rochester, NY

**We will also be honoring Past Presidents**

Joseph Dioguardi is 18-year employee of ABB Inc. His current position for ABB Instrumentation is the Northeast Control Specialist and National Boiler Automation Account Manager for the Boiler Controls Project Group in Rochester, NY. He is responsible for assisting ABB Reps and their customers in the development of industrial and institutional boiler automation projects. After 14 years of physical plant operations and utilities management, Joe joined the project engineering team in 1998 and provides ABB manufactured products and project commissioning services to the customers. Joe is a graduate of Alfred State University in HVAC Design in NY and is a NYS Licensed Power Plant Steam & Refrigeration Operator; he is on the Board of Directors for AFE and maintains current membership of ABMA and ASHREA.

**DATE & TIME:** Wednesday November 19, 2003; vendor displays open at 5:00 PM; light meal at 5:30 PM; Meeting starts at 6:30 PM; Speaker's presentation 6:45 PM to 7:45 PM.; see vendor displays & socialize following

**LOCATION:** Siemens Offices (look for large sign on outside of building), 1015 Virginia Drive, Fort Washington, PA (West of Honeywell)

**DIRECTIONS:** PA Turnpike Exit 26 (Fort Washington at Route 309), follow signs over several streets toward Expo Center, also on Virginia Drive; From Trmpk/309, will be on right prior to Expo Center/Honeywell; from Susquehanna Rd/Limekiln Pike, will be on left after them. **Easy pass exit** at Virginia drive now in operation! [Westbound only]

**Also: Get map from our website**

**COST:** A modest \$10.00 for a commonsense light meal, but plenty for "seconds."  
 If eating, please register by Monday, November 17, by calling Lynn Swan at Advanced Controls: Phone: (215) 674-4777  
 E-mail: <mailto:ace1afpl@aol.com>

**NOTE:** Also see Philadelphia Section Website: <http://www.isa.org/~phila/phillyisa/index.htm>  
**To remember how to find us at any time:** Merely go to [www.isa.org], pull-down [Communities] select [Sections], then [Philadelphia]  
**ALSO:** Type "philadelphia isa" into any major search engine, such as GOOGLE and we are the first or second entry that appears!
