

PCS2019 Process Industry Event

Houston, TX USA
Training: 7 November
Conference: 4–6 November

CALL FOR PAPERS

Submit
Abstracts
by 1 March

The 2019 ISA Process Industry Event is the outstanding forum for discussions of new and innovative process control and safety techniques, developments, and applications. A worldwide array of speakers and attendees alike have the distinct opportunity to participate in informal discussions and networking activities to acquire the latest information about process control, cybersecurity and safety solutions. Abstracts are currently being accepted for consideration.

SUBMISSION GUIDELINES:

Abstracts should be 200 words or less and describe what the non-commercial presentation will cover. Slide presentation materials must be provided in electronic format (MS PowerPoint) prior to the conference for review and approval. A publication release form will also be required. If your abstract is accepted and you agree to submit a presentation, you are also agreeing to register and present at the 2019 ISA Process Industry Event.

Submit your abstract at <https://www.xcdsystem.com/pcs>

You will be notified via email that your abstract has been reviewed, accepted, or rejected by our technical committee. **Abstract due date is 1 March 2019.** Once accepted, a discount registration fee is required in order to participate and present.

IMPORTANT DEADLINES:

Abstracts	1 March	Reviewer's Comments to Authors	1 September
Acceptance.....	5 April	Final Papers/Presentations	1 October
Draft Papers/Presentations	1 August	Rights and Responsibilities Form.....	1 October
