*Menu: TBA*

Menu Provided by Oak Tree Catering  
(formerly Zydeco)

Thanks to Swagelok for sponsoring this months meeting.

---

**March Meeting Topic**

**The Call for Modern Orbital Welding**

Our presenter this month is a certified welder from Swagelok Southeast Texas, Mr. Buster Caballero. Buster will be educating us on modern orbital welding features such as:

- Integrated mass flow controller automatically controls OD shield gas throughout the weld cycle
- Up to 200 Amp peak output capability
- Multiple weld procedure data entry options
- Repeatable, consistent welds

Modern orbital-welding systems, like the Swagelok M200 Power Supply and multitude of weld heads, offer computer controls that store welding schedules in memory. The skills of a certified welder are thus built into the system, enabling the production of enormous numbers of identical welds and leaving little room for error or defects.

*Swagelok is sponsoring March's meeting. Thank you!*

---

**Analysis Division Symposium**

**Analytical Solutions, Training and Technical Content**

**ISA's 60th Analysis Division Symposium**

April 26-30th

The Hilton Galveston Island Resort  
Galveston, Texas

Join 250+ of your peers to hear the latest in applications, developments, and solutions with analytical technologies. Hear experts in the fields of sampling, chromatography, spectroscopy, chemiluminescence, and other analytical techniques.

---

Featuring:

- Expert training and a three day technical program
- Hands-on courses for technicians led by vendor experts
- A technology Forum and Exhibition

For more information, please see [www.adsymposium.org](http://www.adsymposium.org) for details.

Events and Schedule

Sunday April 26th  
Training Courses

- Short Course: Fundamentals of Process Analyzer Techniques
- Advance Course: Increasing Sample System Reliability by Better Design
- Advance Course: Analytical Quality assurance Fundamentals for Laboratory Test Methods and Process Analysis

Sunday through Tuesday April 26 - 28  
Vendor Exhibition and Hospitality Suites

Monday through Wednesday April 27 - 29  
Symposium Technical Program

Tuesday April 28  
Analysis Division Banquet and Keynote

Thursday April 30  
Vendor Training  
Hands-on Training for the Maintenance Technician  
(ABB, Amtec, Servomex, Thermo scientific, Yokogawa)

---

**Golf Tournament**

**It is time to sign up for our 2015 Golf Tournament!!**

The Southeast Texas Section ISA announces its biannual **2015 Golf Tournament**

You are invited to participate. **A great opportunity** to network with your clients and colleagues while supporting the section's scholarship endowment for Lamar University College of Engineering students

**Become a sponsor.** Flyers and registration forms are available.

Let Gary Meyers, Tournament Chairman, know your intentions.

[grmeyers1956@gmail.com](mailto:grmeyers1956@gmail.com)

409-880-6558

Looking forward to your participation.
