ABOUT ISA
The International Society of Automation is a nonprofit professional association that sets the standard for those who apply engineering and technology to improve the management, safety, and cyber security of modern automation and control systems used across industry and critical infrastructure.

Founded in 1945, ISA develops widely used global standards; certifies industry professionals; provides education and training; publishes books and technical articles; hosts conferences and exhibits; and provides networking and career development programs for its 40,000 members and 400,000 customers around the world.

ABOUT ISA MAHARASHTRA SECTION
International Society of Automation, Maharashtra chapter is a platform for End users, Consultants, OEMs and System Integrators, in short “End-to-End Solutions”. ISA- Maharashtra Section was formed almost 30 years back and has progressed well since the inception, with present membership of around 100+ members and growing further.

Our mission for the year 2019 is to provide platform to individuals to enhance their technical expertise by organizing technical seminars, meets and workshops on latest I&C topics of interest.

In order to develop future leadership regular interactions and training will be organized for young professionals to identify shadow leaders who can take over the reign of ISA-Maharashtra section in future.
“Latest Flow Control Technologies and Trends”

ISA Maharashtra Section in collaboration with Rotork Controls India Pvt. Ltd. had organized a Technical seminar on “Latest Flow Control Technologies and Trends” at Hotel Tunga, Vashi on 4th August 2018.

Experts from Rotork India explained the latest trends in Electrical Actuators and Gears, Pneumatic Actuators as well as service network and support.

Manthan 2018

ISA Maharashtra Section organized an Annual Orientation meet on September 10, 2018 at Rajiv Gandhi Institute of Technology for faculty advisors and students.

Brainstorming on Academic Syllabus and Knowledge sharing was done. Future action plans were finalized to address the challenges of ISA students Chapters.
“Smarter Network Solutions for Improving Security”

ISA Maharashtra section organized this seminar in association with Axis Communications and Hexa GEO on 6th October 2018 at Hotel Tunga Vashi.

During the technical session of this event, the Axis end-to-end solutions for Professional surveillance and security for mid-size systems were introduced by the Mr. Vinay Vidyadharan, Key Account Manager of Axis Video systems India Pvt. Ltd.

“Holistic Energy Management in Manufacturing”

ISAM organized a workshop on Holistic Energy Management on 8th December 2018 at Abbott hotel, Vashi.

The esteemed speaker was Dr. B. E. Kushare who is a certified energy auditor.

Fenner Drives and Kaizen Automation were the sponsors of this event.
ISAM Stall in Automation Expo 2018

Mr. Brian Cutris (ISA-USA President) and other ISA Members inaugurated ISA-M Section Stall at Automation Expo 2018, Bombay Exhibition Center on 29th Aug 2018.

Mr. Brian appreciated ISA-M section activities and the planning of upcoming programs, after the launch of ISA-M official website and the year’s first newsletter issue.

ISA USA Presidents’ Visit

After the inauguration, the team headed to VESIT and NMIMS (esteemed engineering institutes in Mumbai) to visit Student Chapters.

At these institutes, Mr. Brian primarily interacted with the students as well as the teaching fraternity. Also the team visited the Instrumentation and Automation.
