

2021 ISA Columbus Section Scholarship

The International Society of Automation Columbus Section Scholarship is a \$1,000 award given to 3 local college students pursuing careers in automation-related fields.

About the Award

The ISA Columbus Section is pleased to award this scholarship to students who show outstanding potential for contributions to the automation industry. **Applications will be accepted through March 31, 2021.** Winners will be notified by April 30, 2021 via email and will be required to provide a digital photo, a 3-4 sentence biography, and a thank you note that can be quoted for publicity purposes. Scholarships will be dispersed by check to your college's registrar and mailed after the winners are selected and the required documentation is received. Scholarships will be awarded at the sole discretion of the ISA Columbus Section Board.
