Military Recruiting capability for the Oil and Gas Industry

Company: Orion International
Presenter:
Steve Casey
Vice President, Sales Operations

Orion is the nation’s leading provider of best-in-class Military Talent Programs which enable organizations to attract, hire, develop and retain Military Talent. Whether you need to quickly ramp up hiring for project based needs, are looking for a company-wide coordinated Military Talent Strategy, or are seeking to fill just a few positions with the right Military Talent, Orion has the solution. Orion is the largest Military Veteran operated recruiting firm, having placed 30,000 Veterans into 7,000 companies the past 23 years, including around 2,000 into the Oil & Gas and Energy industries, into positions ranging from most technician roles (on- and offshore), to field service, to engineering, operations, and project management.
