

## Need money for college?

Students can't win academic scholarships if they don't apply. ISA Educational Foundation Scholarships are awarded to college or university students who demonstrate outstanding potential in the fields of automation and control. ISA scholarships cover tuition and related expenses as well as research activities and initiatives.

To guarantee consideration, students are encouraged to complete and submit an application as soon as possible. The deadline for application submission is 15 February 2019.

For more details, including answers to frequently asked questions, visit [www.isa.org/scholarships](http://www.isa.org/scholarships), or call ISA at +1 919-549-8411.
