

The Tremont House/Wyndham Grand Hotel
Galveston, TX USA
Training: 5&8 March • Conference: 6-7 March

ISA's 2018 Leak Detection and Repair/Fugitive Emissions (LDAR) Symposium Returns to Galveston, Texas!

Don't miss the air compliance Industry's only conference dedicated to sharing best practices for leak detection and repair and direction inspection and maintenance programs. The 2018 LDAR Symposium will once again be held **6-7 March at The Tremont House/Wyndham Grand Hotel in Galveston, Texas.**

Why sponsor and exhibit?

ISA 2018 LDAR will put you face-to-face with key industry decision makers searching for solutions, products, services and partners they can trust to make their jobs easier. Showcase your products and services and build relationships with this unique group of LDAR program coordinators/administrators and supervisors, air compliance managers, environmental engineers, maintenance managers, reliability engineers, consultants, monitoring services contractors, and end users.

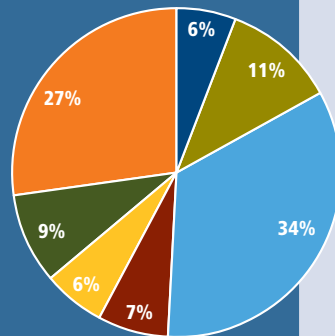

This year's symposium brings together the right industry experts in air compliance and LDAR program solutions to share ideas on best practices, technology advancements, compliance requirements and regulations.
