CALL FOR PAPERS

The ISA 2018 Leak Detection and Repair/ Fugitive Emissions Symposium (LDAR) will once again be held 6-7 March in Galveston, TX, USA

Don't miss your opportunity to share your expertise in air compliance and LDAR program solutions with other industry experts presenting on best practices, technology advancements, compliance requirements and regulations.

Presentation Topics for Consideration:

- Design and Validation
- Consent Decree Updates
- LDAR Program Implementation
- Emission Performance
- Environmental Corrosion
- Infrared Technologies
- Contractor Reliability
- Records Maintenance and Reporting
- EPA/TCEQ Regulations and Compliance
- QA/QC of LDAR Data
- Subpart W
- Upstream and Midstream Technology

Hot Topics!

- Emerging Technologies
- NSPS Quad Oa Implementation

Submission Guidelines:

Abstracts (including your contact information) should be submitted based on the subject area and topics indicated. Abstracts should be 200 words or less and describe what the presentation will cover. Content must be non-commercial in nature. If your abstract is accepted, you agree to submit a presentation for the conference proceedings and to register for ISA's 2018 LDAR/Fugitive Emissions Symposium.

Send your abstract to ldarconf@members.isa.org. Your abstract will be reviewed by our LDAR Technical Presentation Committee. You will be notified via email that your abstract has been reviewed, accepted, or rejected. **Abstract due date is 12 January 2018.**
